create unit testing files and code				
aali7075 committed 20 hours ago			d4203f2	<>

All above shows commits to master branch of All-Project-Code Components

Contributions to master, excluding merge commits

johnnybluhm #1
12 commits 74,665 ++ 1,153 --

aali7075 #2
2 commits 82 ++ 82 --
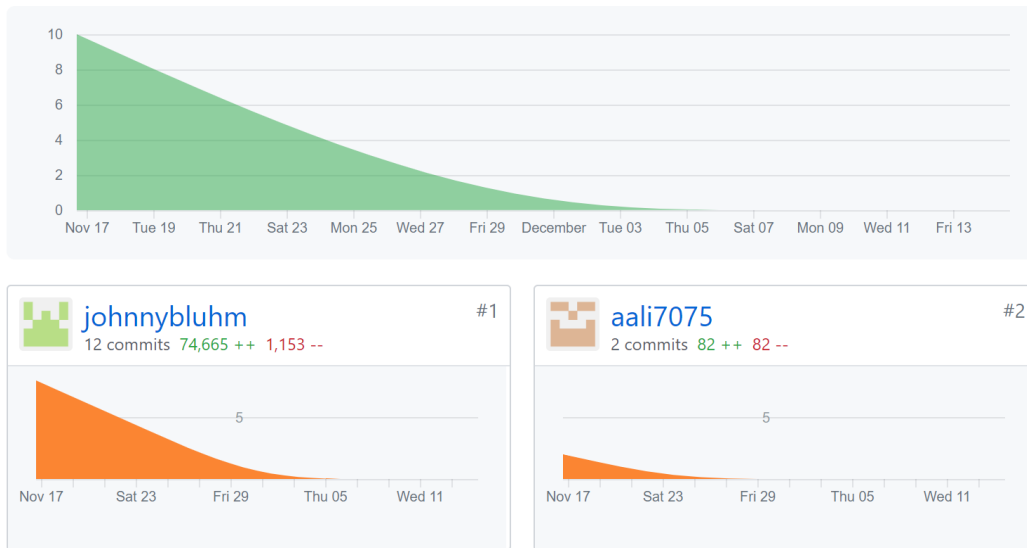

Above shows commits to master at https://github.com/aali7075/back_end.git which Aaron setup because he couldn't push server files to the main GitHub. Was later pushed to main git repo.

Deployment Environment: https://r3cim3.herokuapp.com/
